**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect free enterprise and fair competition so that companies may grow and thrive while providing consumers access to their choice of businesses to support.

We work from home so broadband is critical to our business operations. We previously received internet connection via DSL. Since we switched to fiber, our connection speed has been consistently more reliable and faster. Plus we are saving money per month over our previous provider.

Thank you.
